

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 11, 1996

SUBJECT: **SB 3226 - HB 3231**

This bill, if enacted, will authorize the State Board of Education to prescribe a salary schedule for superintendents subject to the approval of the Commissioner of Education. The schedule shall take into consideration the training and experience of the superintendent and the average daily membership of the system which the superintendent manages.

The fiscal impact from enactment of this bill is estimated to be minimal since the bill merely puts back into the statute the provision that the salary schedule must be approved by the Commissioner of Education.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
